### Cautionary Note Regarding Forward-Looking Statements

This press release contains "forward-looking statements" within the meaning of the federal securities laws — that is, statements about the future, not about past, events. Such statements often contain words such as "expect," "may," "believe," "plan," "estimate," "intend," "anticipate," "should," "could," "will," "see," "likely" and other similar words. Neither Schlumberger, SHC nor Cameron can give any assurance that such statements will prove correct. These statements are subject to, among other things, the risks and uncertainties detailed in Schlumberger's most recent Forms 10-K, 10-Q, and 8-K filed with or furnished to the Securities and Exchange Commission. Actual outcomes may vary materially from those reflected in Schlumberger's forward-looking statements.
