

Saudi Aramco Awards Schlumberger Gas Drilling Project

March 15, 2022

Integrated well construction project will use differentiated drilling technologies, digital solutions and regional domain expertise to optimize customer performance

DHAHRAN, Saudi Arabia--(BUSINESS WIRE)--Mar. 15, 2022-- Regulatory News:

Schlumberger announced today a major contract award by Saudi Aramco for integrated drilling and well construction services in a gas drilling project.

The integrated project scope encompasses drilling rigs and technologies and services, including drill bits, measurement while drilling (MWD) and logging while drilling (LWD), drilling fluids, cementing, and completing wells. Schlumberger will leverage digital solutions to enhance integrated drilling performance, including the DrillOps* on-target well delivery solution which uses data analysis, learning systems and automation to execute a digital well plan, improving drilling efficiency, consistency and performance.

"This contract award represents the continuation of an ongoing collaboration with Saudi Aramco," said Tarek Rizk, MENA president, Schlumberger. "Through our committed teams, differentiated technology, and integrated drilling and well construction services we will work closely with Saudi Aramco on well delivery and set a new performance benchmark."

This award represents a significant endorsement of Schlumberger's fit-for-basin technology and domain expertise for gas well development in the region.

About Schlumberger

Schlumberger (SLB: NYSE) is a technology company that partners with customers to access energy. Our people, representing over 160 nationalities, are providing leading digital solutions and deploying innovative technologies to enable performance and sustainability for the global energy industry. With expertise in more than 120 countries, we collaborate to create technology that unlocks access to energy for the benefit of all.
