Settlement and Sale of the Notes

The Issuer expects to deliver the Notes against payment for the Notes on or about June 26, 2020 which will be the seventh business day following June 17, 2020, the date of the pricing of the Notes. Since trades in the secondary market generally settle in two business days, purchasers who wish to trade Notes on the date of pricing or the next four succeeding business days will be required, by virtue of the fact that the Notes initially will settle in T+7, to specify alternative settlement arrangements to prevent a failed settlement.
