Recommended Cash Offer

by

Lehman Brothers

on behalf of

Schlumberger Investments

(a wholly owned subsidiary of Schlumberger NV)

for

Sema plc

The Boards of Schlumberger Investments and Sema announce that they have reached agreement on the terms of a recommended cash offer (the "Offer") to be made by Lehman Brothers on behalf of Schlumberger Investments, a wholly-owned subsidiary of Schlumberger, for the entire issued and to be issued share capital of Sema.

Strategic rationale

- . The acquisition of Sema, a leading diversified IT and business services company, will accelerate the implementation of Schlumberger's strategy of providing end to end information solutions to customers in selected growth markets. Sema will enhance Schlumberger's capabilities and critical mass in systems integration and the range of IT skills which Schlumberger requires to serve its present and future customer base. It should also allow Schlumberger to realise revenue synergies as a result of cross selling its core competencies in network development and management, IP-based applications, data management, smart cards and security application products.
- . The board of directors of Schlumberger believes this combination will:

- provide the critical mass and scale to deliver end-to-end information solutions for a global customer base in key vertical markets and offer significant cross-selling opportunities;
- be particularly beneficial to the core oilfield services business of Schlumberger which will be able to provide its customers with fully integrated information solutions, comprising domain knowledge and expertise, IT implementation and consulting skills, and global support to E&P companies;
- allow Schlumberger's Resource Management Services and Sema's Energy/Utilities business unit to exploit their complementary geographical reach and technological offering to create significant growth opportunities, primarily by combining both solutions approaches and thereby facilitating access to larger, more complex contracts requiring end-to-end solutions; and
- through the combination of Sema's recognised systems integration expertise and telecom product offering breadth (customer care and billing, prepaid and SMS) and Schlumberger's smartcards and systems activities, which will be enhanced by the forthcoming acquisition of "Bull CP8" from Bull SA, further accelerate the creation of a leading global technology services provider for the telecommunications industry.

Summary of the Offer terms

- . The Offer will be made on the basis of 560 pence in cash for each Sema Share and 1,120 pence in cash for each Sema ADS (each ADS represents 2 Sema Shares).
- . The Offer values the entire issued and to be issued share capital of Sema at approximately (Pounds)3.6 billion (US\$5.3 billion) (fully diluted for the exercise of all outstanding options).
- . The Offer represents a premium of approximately 42 per cent. to the middle market price of 395 pence per Sema Share at the close of business on 2 February 2001, being the last dealing day prior to the announcement by Sema that it had received approaches that may or may not lead to an offer for the Company and 18 per cent. to the middle market price of 475 pence per Sema Share at the close of business on 9 February 2001, the last dealing day prior to this announcement of the Offer.
- . Schlumberger Investments has received irrevocable undertakings to accept the Offer from Sema Directors in respect of their own beneficial holdings representing approximately 0.1 per cent. of Sema's existing issued share capital. Schlumberger Investments has also received undertakings to accept the Offer from France Telecom and BNP Paribas representing approximately 16.9 per cent and 5.1 per cent. respectively of Sema's existing issued share capital. Subject to the right for Schlumberger Investments to improve upon the price of any competing offer, the undertakings from France Telecom and BNP Paribas will cease to be binding if a competing offer is made at a price in excess of 600 pence per Sema Share, before the end of the day falling 17 days after the Offer Document is posted.
- . The Sema Board, which has been so advised by Credit Suisse First Boston and Rothschild, intends unanimously to recommend the Offer. In providing advice to the Sema Board, Credit Suisse First Boston and Rothschild have taken into account the Sema Board's commercial assessments.
- . Lehman Brothers is acting as Corporate Broker to Schlumberger Investments. Credit Suisse First Boston de Zoete & Bevan Limited and HSBC Investment Bank plc are acting as Corporate Brokers to Sema.

Commenting on today's announcement, Euan Baird, Chairman and Chief Executive Officer of Schlumberger, said:

"The acquisition of Sema will enable us to accelerate significantly our existing information technology strategy. It will enhance our capabilities and critical mass in systems integration, widen our IT skills and create revenue synergies in many of our core competencies.

I am confident that the excellent personal relationships which we have developed with senior Sema management and strong cultural fit between our organisations will facilitate the integration and subsequent growth of Sema within the Schlumberger group."

Pierre Bonelli, Chief Executive Officer of Sema, added:

"I am delighted to announce that we have reached agreement with Schlumberger. The terms of the Offer reflect the underlying strengths of Sema. Schlumberger will provide Sema with the scale and stability to continue to prosper. The combination will also generate significant new opportunities to develop the business. Importantly Sema staff and customers will benefit from the strong culture and business fit."

Recommended Cash Offer

by

Lehman Brothers

on behalf of

Schlumberger Investments

(a wholly owned subsidiary of Schlumberger NV)

for

Sema plc

1. Introduction

The Boards of Schlumberger Investments and Sema announce that they have reached agreement on the terms of a recommended cash offer (the "Offer") to be made by Lehman Brothers on behalf of Schlumberger Investments, a wholly-owned subsidiary of Schlumberger, for the entire issued and to be issued share capital of Sema.

The Offer will be made on the basis of 560 pence in cash for each Sema Share and 1,120 pence in cash for each Sema ADS (each ADS represents 2 Sema Shares). The Offer values the entire issued and to be issued share capital of Sema at approximately (Pounds)3.6 billion (US\$5.3 billion) (fully diluted for the exercise of all outstanding options).

The Offer represents a premium of approximately 42 per cent. to the middle market price of 395 pence per Sema Share at the close of business on 2 February 2001, being the last dealing day prior to the announcement by Sema that it had received preliminary approaches which may or may not lead to an offer for the Company and 18 per cent. to the middle market price of 475 pence per Sema Share at the close of business on 9 February 2001, the last dealing day prior to this announcement of the Offer.

Schlumberger has received undertakings to accept the Offer in respect of approximately 22 per cent. of Sema's existing issued ordinary share capital. Further details of these undertakings are provided in paragraph 4 below.

Lehman Brothers is acting as Corporate Broker to Schlumberger Investments. Credit Suisse First Boston de Zoete & Bevan Limited and HSBC Investment Bank plc are acting as Corporate Brokers to Sema. In addition, Morgan Stanley Dean Witter has given financial advice to Schlumberger in the context of the Offer.

2. The Offer

The Offer, which will be made on the terms and subject to the conditions summarised below and in Appendix I to this announcement, and to the further terms which will be set out in full in the Offer Document and the accompanying Acceptance Form(s), will be made on the following basis:

for each Sema Share	560 pence in cash
for each Sema ADS (each ADS represents 2 Sema Shares)	1,120 pence in cash

The Offer will extend, subject to the terms and conditions to be set out in the Offer Document and Acceptance Form(s), to all Sema Shares unconditionally allotted or issued on the date on which the Offer is made and any further Sema Shares unconditionally allotted or issued while the Offer remains open for acceptance (or such earlier date as Schlumberger Investments may, subject to the Code, decide). In conjunction with the offer being made to Sema Shareholders an offer is being made to holders of Sema ADSs to tender the Sema Shares underlying such ADSs into the Offer.

The Sema Shares will be acquired by Schlumberger Investments pursuant to the Offer fully paid and free from all liens, charges, equitable interests, encumbrances and other third party rights and interests of any nature whatsoever and together with all rights now or hereafter attaching thereto, including the right to receive and retain all dividends and other distributions (if any) declared, made or paid hereafter.

If sufficient acceptances are received and/or sufficient Sema Shares are otherwise acquired, Schlumberger Investments intends to apply the provisions of Sections 428 to 430F (inclusive) of the Act to acquire compulsorily any outstanding Sema Shares to which the Offer relates.

When the Offer becomes or is declared unconditional in all respects, Schlumberger Investments intends to procure the making of an application by Sema for the removal of Sema Shares from the Official List and for the cancellation of trading in Sema Shares on the London Stock Exchange's market for listed securities. It is anticipated that cancellation of listing and trading will take effect no earlier than 20 business days after the Offer becomes or is declared unconditional in all respects. Schlumberger Investments would also intend to apply for de-listing of the Sema Securities from the Nasdaq National Market and from Euronext Paris. Such de-listings and cancellation would significantly reduce the liquidity and marketability of any Sema Securities not assented to the Offer.

3. Recommendation

The Sema Board, which has been so advised by Credit Suisse First Boston and Rothschild, considers the terms of the Offer to be fair and reasonable.

Accordingly, the Sema Directors intend unanimously to recommend Sema Securityholders to accept the Offer. Directors have irrevocably undertaken to accept the Offer in respect of their own beneficial holdings comprising 497,612

Sema Shares in aggregate, representing approximately 0.1 per cent. of Sema's existing issued share capital. In providing advice to the Sema Board, Credit Suisse First Boston and Rothschild have taken into account the Sema Board's commercial assessments.

4. Undertakings to accept the Offer

Schlumberger Investments has received undertakings to accept the Offer from certain Sema Securityholders as set out below. The percentage figures are based on the number of Sema Shares in issue on 9 February 2001, being the last practicable date prior to the date of this announcement.

Securityholder	Number of Sema Shares	Per cent.
France Telecom	103,634,296	16.9
BNP Paribas	31,113,792	5.1
Sir Julian Oswald	24,886	0.004
P S E Bonelli	360,116	0.059
W Bitan	25,612	0.004
H Couffin	120	0.000
W H Fryer	28,500	0.005
F S Jones	46,728	0.008
D Pineau-Valencienne	400	0.000
G Schmitt	11,250	0.002

Schlumberger Investments has therefore received undertakings to accept the Offer in respect of 135,245,690 Sema Shares in aggregate, representing approximately 22 per cent. of Sema's existing issued ordinary share capital. Subject to the right for Schlumberger Investments to improve upon the price of any competing offer, the undertakings from France Telecom and BNP Paribas will cease to be binding if a competing offer is made at a price in excess of 600 pence per Sema Share, before the end of the day falling 17 days after the Offer Document is posted.

5. Inducement fee

In consideration of, and as an inducement to, Schlumberger Investments making an offer for Sema, Sema has agreed to pay Schlumberger Investments a fee of US\$20 million in certain limited circumstances. This fee is payable on either of the following events:

(a) the Board of Directors of Sema withdrawing or modifying their recommendation of the Offer, or approving or recommending a competing offer for, or certain other competing transactions in relation to, Sema in a manner which is adverse to Schlumberger Investments and the Offer subsequently lapsing or being withdrawn; or

(b) a competing offer for, or certain other competing transactions in relation to, Sema being announced after the date of this announcement, but prior to the Offer lapsing or being withdrawn and such competing offer or another competing offer becoming or being declared unconditional in all respects.

As at the close of business on 9 February 2001 (the last dealing day prior to this announcement), Schlumberger had a market capitalisation of approximately US\$44.8 billion ((Pounds)31.0 billion).

It should be noted that the results for LHS were not included within the Sema financials until 29 July 2000, the date of completion of the LHS transaction.

9. Background to and reasons for the Offer

For several years, Schlumberger has been actively exploiting IT to improve its internal business processes and efficiencies, to grow the company's existing businesses and to develop new IT-based revenue generation opportunities.

This focus on leveraging IT has taken the form of extensions of existing Schlumberger business groups and also the creation of new businesses which leverage Schlumberger's long term expertise in network development and management, IP based applications, backed by a strong culture of global support. Such initiatives have been ongoing in all three of the Schlumberger core vertical markets: oilfield services, wireless telecom and utilities.

Schlumberger has concluded that it needs to continue to add strong IT technology, systems integration and consulting competencies on a global scale to both accelerate the growth in its core vertical markets and to establish itself as a leading information solutions provider in those core vertical markets.

The acquisition of Sema, a leading diversified IT and business services company, will accelerate the implementation of Schlumberger's strategy of providing end to end information solutions to customers in selected growth markets. Sema will enhance Schlumberger's capabilities and critical mass in systems integration and the range of IT skills which Schlumberger requires to serve its present and future customer base. It should also allow Schlumberger to realise revenue synergies as a result of cross selling its core competencies in network development and management, IP-based applications, data management, smart cards and security application products.

The board of directors of Schlumberger believes this combination will:

- . offer a compelling opportunity to add scale and critical mass, enabling cross-penetration of new markets and customers with existing and future product/services offerings;
- . provide the critical mass and scale to deliver end-to-end information solutions for a global customer base in key vertical markets and offer significant cross-selling opportunities;
- . be particularly beneficial to the core oilfield services business of Schlumberger which will be able to provide its customers with fully integrated information solutions, comprising domain knowledge and expertise, IT implementation and consulting skills, and global support to E&P companies. The systems integration and e-transformation technologies and expertise provided by Sema will enable Schlumberger to deepen its relationships with its key customers by providing a comprehensive infrastructure support service on a global basis and capture a significant share of the emerging, fast growing global E&P IT transformation market;
- . allow Schlumberger's RMS and Sema's Energy/Utilities business unit to exploit their complementary geographical reach and technological offering to create significant growth opportunities, primarily by combining both solutions approaches and thereby facilitating access to larger, more complex contracts requiring end-to-end solutions. Schlumberger's Resource Management Services specialising in the North American solutions market for automatic meter reading products and services, related data management via CellNet based technologies and consulting services provided by Convergent Group combined with Sema's presence in the European solutions market for power exchange, customer management and utility economics are expected to yield significant cross selling opportunities; and
- . through the combination of Sema's recognised systems integration expertise and telecom product offering breadth (customer care and billing, prepaid and SMS) and Schlumberger's smartcards and systems activities, which will be enhanced by the forthcoming acquisition of "Bull CP8" from Bull SA, further accelerate the creation of a leading global technology services provider for the telecommunications industry.

10. Management and employees

Schlumberger Investments recognises the importance to Sema's business of the skills and experience of Sema's management team. It intends, with Sema's senior management, to develop incentivisation arrangements for Sema's employees going forward that reflect that importance.

Schlumberger Investments has given assurances to the Sema Board that the existing employment rights, including pension rights, of the management and employees of the Sema Group will be fully safeguarded in accordance with all applicable laws.

11. Sema Share Option Schemes

The Offer will extend, subject to the terms and Conditions to be set out in the Offer Document and Acceptance Form(s), to all Sema Shares unconditionally allotted or issued fully paid (or credited as fully paid) upon exercise of options under the Sema Share Option Schemes while the Offer remains open for acceptance (or until such earlier date as Schlumberger Investments may, subject to the provisions of the Code, determine). Appropriate proposals will be made to the holders of options under the Sema Share Option Schemes, to the extent that options are not exercised, once the Offer becomes or is declared unconditional in all respects.

12. Financing

Schlumberger Investments intends to fund the Offer from a combination of its existing cash resources and additional bank facilities arranged by JP Morgan plc, BNP Paribas, Citibank/Schroder Salomon Smith Barney and Lehman Brothers, for the purposes of the Offer. The Offer will not be conditional upon any financing arrangements.

13. General

Save as disclosed herein, neither Schlumberger Investments nor any director of Schlumberger Investments, nor to Schlumberger Investments' knowledge, any person acting in concert with Schlumberger Investments, owns or controls any Sema Shares or holds any options to purchase any Sema Shares or has entered into any derivative referenced to securities of Sema which remain outstanding. In the interests of secrecy, Schlumberger Investments has not made any enquiries in this respect of certain parties who may be deemed by the Panel to be acting in concert with it for the purpose of the Offer.

The formal Offer Document, setting out details of the Offer, and enclosing the Acceptance Form(s), will be dispatched to Sema Securityholders in due course.

This announcement does not constitute an offer or an invitation to purchase any securities. The availability of the Offer to persons not resident in the United Kingdom may be affected by the laws of the relevant jurisdictions. Persons who are not resident in the United Kingdom, or who are subject to the laws of any jurisdiction other than the United Kingdom, should inform themselves about, and observe any applicable requirements.

The Offer will not be made, directly or indirectly, in or into Australia, Canada or Japan and it may not be accepted in or from Australia, Canada or Japan. Accordingly, copies of this announcement are not being, and must not be, mailed or otherwise distributed or sent in or into Australia, Canada or Japan. Custodians, nominees and trustees should observe these restrictions and should not send or distribute this announcement in or into Australia, Canada or Japan.

Lehman Brothers, which is regulated in the UK by The Securities and Futures Authority Limited, is acting for Schlumberger and Schlumberger Investments in connection with the Offer and no one else and will not be responsible to anyone other than Schlumberger and Schlumberger Investments for providing the protections afforded to customers of Lehman Brothers, nor for providing advice in relation to the Offer.

Credit Suisse First Boston, which is regulated in the UK by The Securities and Futures Authority Limited, is acting for Sema in connection with the Offer and no one else and will not be responsible to anyone other than Sema for providing the protections afforded to customers of Credit Suisse First Boston, nor for providing advice in relation to the Offer.

Rothschild, which is regulated in the UK by The Securities and Futures Authority Limited, is acting for Sema in connection with the Offer and no one else and will not be responsible to anyone other than Sema for providing the protections afforded to customers of Rothschild, nor for providing advice in relation to the Offer.

It should be noted that by virtue of the conflicting provisions of the Code and the US securities laws, the Panel has agreed that the acceptance condition can be structured so that the Offer cannot become or be declared unconditional as to acceptances until such time as all other Conditions to the Offer have been satisfied, fulfilled or, to the extent permitted, waived. The acceptance condition in paragraph (a) of Appendix I has been amended accordingly.

The Panel wishes to draw the attention of member firms of Euronext Paris and Nasdaq to certain UK dealing disclosure requirements following the announcement by Sema of a possible offer. That announcement made on 5 February 2000 commenced an Offer Period in accordance with the Code which is published and administered by the Panel. The Offer Period is deemed to commence at the time when an announcement is made of a proposed or possible offer, with or without terms. Sema has equity securities traded on the London Stock Exchange, Nasdaq and Euronext Paris.

The disclosure requirements referred to above are set out in more detail in Rule 8 of the Code. In particular Rule 8.3 requires public disclosure of dealings during the Offer Period by persons who own or control, or who would as a result of any transaction own or control, 1 per cent. or more of any class of relevant securities of Sema. Relevant securities include Sema Securities and instruments convertible into Sema Securities. In the case of the Offer for Sema, this requirement will apply until the end of the Offer Period.

Disclosure should be made on an appropriate form no later than 12 noon London time on the business day following the date of the dealing transaction. These disclosures should be sent to the Company Announcements Office of the London Stock Exchange (fax number: +44 (0)20 7588 6057).

The Panel requests that member firms advise those of their clients who wish to deal in the relevant securities of Sema, whether in Paris, New York or in the UK, that they may be affected by these requirements. If there is any doubt as to their application, the Panel should be consulted (telephone number: +44 (0)20 7638 0129, fax number: + 44 (0)20 7638 1554).

Schlumberger will be filing a Tender Offer Statement and other related documentation and Sema will be filing a Solicitation/Recommendation Statement with the Securities and Exchange Commission on the date the Offer Document is mailed to Sema shareholders. Free copies of these documents will be available on the SEC's web site at www.sec.gov. The Tender Offer Statement may also be

obtained at no charge from Schlumberger at 277 Park Avenue, New York, NY 10172-0266 and the Solicitation/ Recommendation Statement may be obtained at no charge from Sema at Six Concourse Parkway, Suite 2700, Atlanta, Georgia 30328. Shareholders are urged to read the Tender Offer Statement, the Solicitation/Recommendation Statement and the related documentation when they become available as they will contain important information.

This announcement may contain forward-looking statements as defined in the Private Litigation Reform Act of 1995. These statements by their nature involve risks and uncertainties and there are many factors which may cause actual results to differ materially from these statements. Such factors include economic, competitive and technological factors affecting Schlumberger's and Sema's operations, markets, services and prices as well as Schlumberger's ability to integrate

Sema's businesses with Schlumberger's and to realise synergies from the acquisition and the other factors detailed in Schlumberger's and Sema's SEC filings.

Appendix III to this announcement contains definitions of certain expressions used in this announcement.

(i) the expression "Sema Shares (including Sema Shares represented by Sema ADSs) to which the Offer relates" shall be construed in accordance with sections 428 to 430F of the Act, and

(ii) Sema Shares (including Sema Shares represented by Sema ADSs) which have been unconditionally allotted shall be deemed to carry the voting rights which they will carry upon issue;

provided that, unless Schlumberger Investments otherwise determines, this Condition (a) shall be capable of being satisfied only at a time when all of the other Conditions (b) to (j) inclusive have been either satisfied, fulfilled or, to the extent permitted, waived.

(b) no Third Party having decided to take, instituted, implemented or threatened any action, proceedings, suit, investigation or enquiry, or made, proposed or enacted, any statute, regulation or order or taken any other steps and there continuing not to be outstanding any statute, regulation, order or other matter which in each case would or might reasonably be expected to:

(i) make the Offer, its implementation or the acquisition or proposed acquisition by Schlumberger Investments or any member of the Wider Schlumberger Group of any or all shares or other securities in (or the equivalent), or control or management of, Sema or any member of the Wider Sema Group void, illegal or unenforceable in or under the laws of any relevant jurisdiction, or otherwise directly or indirectly materially restrain, prevent, prohibit, materially restrict or materially delay the same or impose additional material Conditions or obligations with respect to the Offer or such acquisition, or otherwise materially impede, challenge or interfere with the Offer or such acquisition, or require material amendment to the terms of the Offer or the acquisition or proposed acquisition of any Sema Securities or the acquisition of control of Sema or the Wider Sema Group by Schlumberger Investments;

- (ii) limit or delay the ability of any member of the Wider Schlumberger Group or any member of the Wider Sema Group to acquire or to hold or to exercise effectively, directly or indirectly, all or any rights of ownership in respect of shares or other securities (or the equivalent) in, or to exercise voting or management control over, any member of the Wider Sema Group or any member of the Wider Schlumberger Group to an extent which is material, or might reasonably be expected to be material, in the context of the Offer;
- (iii) require, prevent or delay the divestiture or alter the terms envisaged for any proposed divestiture by any member of the Wider Schlumberger Group of any shares or other securities (or the equivalent) in Sema to an extent which is material or might reasonably be expected to be material, in the context of the Offer;
- (iv) require, prevent or delay the divestiture or alter the terms envisaged for any proposed divestiture by any member of the Wider Schlumberger Group or by any member of the Wider Sema Group of all or any portion of their respective businesses, assets or properties or limit the ability of any of them to conduct any of their respective businesses or to own or control any of their respective assets or properties or any part thereof to an extent which is material, or might reasonably be expected to be material, in the context of the Offer;
- (v) except pursuant to Part XIII A of the Act, require any member of the Wider Schlumberger Group or of the Wider Sema Group to acquire, or to offer to acquire, any shares or other securities (or the equivalent) in any member of either group owned by any third party or to sell or offer to sell any shares or other securities (or the equivalent in), or any asset or any member of the Wider Sema Group to an extent which is material, or might reasonably be expected to be material, in the context of the Offer;
- (vi) limit the ability of any member of the Wider Schlumberger Group or of the Wider Sema Group to conduct or integrate or coordinate its business, or any part of it, with the businesses or any part of the businesses of any other member of the Wider Schlumberger Group or of the Wider Sema Group to an extent which is material, or might reasonably be expected to be material, in the context of the Offer;

For the purpose of these Conditions:

- (a) "Third Party" means any government, government department or governmental, quasigovernmental, supranational, statutory, regulatory, administrative or investigative body, authority (including any national antitrust, competition or merger control authorities or similar authorities), court, trade agency, association, institution or professional or environmental body or any other person or body whatsoever in any jurisdiction;
- (b) a Third Party shall be regarded as having "intervened" if it has decided to take, institute, implement or threaten any action, proceeding, suit, investigation, enquiry or reference or made, proposed or enacted any statute, regulation, decision or order or taken any measures or other steps or required any action to be taken or information to be provided or otherwise having done anything and "intervene" shall be construed accordingly;
- (c) "Authorisations" means authorisations, orders, grants, recognitions, determinations, certificates, confirmations, consents, permissions, licences, clearances, provisions and approvals;
- (d) "Wider Schlumberger Group" means the Schlumberger Group and associated undertakings and any other body corporate, partnership joint venture or person in which the Schlumberger Group and such undertakings (aggregating their interests) have an interest of more than 20 per cent. of the voting or equity capital or the equivalent;
- (e) "Wider Sema Group" means the Sema Group and associated undertakings and any other body corporate, partnership joint venture or person in which the Sema Group and such undertakings (aggregating their interests) have an interest of more than 20 per cent. of the voting or equity capital or the equivalent.

Subject to the requirements of the Panel, Schlumberger Investments reserves the right to waive all or any of the above Conditions, in whole or in part, except Condition (a).

The Offer will lapse unless the conditions set out above have been determined by Schlumberger Investments to have been and to remain satisfied or (if capable of waiver) waived by 3.00 p.m. on the first closing date of the Offer or such later time and/or date as Schlumberger Investments may determine in accordance with the City Code or with the consent of the Panel and subject to any requirements of the laws of the US.

Schlumberger Investments shall be under no obligation to waive or treat as satisfied any of conditions (a) to (j) inclusive by a date earlier than the latest date for its satisfaction notwithstanding that any other condition of the Offer may on or before such date have been waived or fulfilled and/or that there are no circumstances indicating that any such conditions may not be capable of fulfilment.

If the Panel requires Schlumberger Investments to make an offer for Sema Ordinary Shares under the provisions of Rule 9 of the Code, Schlumberger Investments may make such alterations to the Conditions, including to Condition (a), as are necessary to comply with the provisions of that Rule.

The Offer will lapse (unless otherwise agreed by the Panel) if the European Commission either initiates proceedings under Article 6(1)(c) of Council Regulation (EEC) 4064/89 (the "Regulation") or makes a referral to a competent authority of the United Kingdom under Article 9(1) of the Regulation and there is then a reference to the Competition Commission, before the later of 3.00 p.m. (London time) / 10.00 a.m. (New York City time) on the first closing date and the date when the Offer becomes or is declared unconditional as to acceptances.

If the Offer lapses it will cease to be capable of further acceptance. Sema Shareholders who have accepted the Offer and Schlumberger shall then cease to be bound by acceptances delivered on or before the date on which the Offer lapses.

2. Certain further terms of the Offer

Sema Shares will be acquired by Schlumberger Investments fully paid up and free from all liens, equities, charges, encumbrances and other third party rights and/or interests and together with all rights now or hereafter attaching thereto, including the right to receive and retain all dividends, interest and other distributions declared, made or payable after the date of this announcement.

The Offer will be on the terms and will be subject, inter alia, to the Conditions which are set out in part 1 of this Appendix and those terms which will be set out in the Offer Document and such further terms as may be required to comply with the Listing Rules of the UK Listing Authority and the provisions of the Code. The Offer and any acceptances thereunder will be governed by English law.

The availability of the Offer to persons not resident in the United Kingdom or the United States may be affected by the laws of the relevant jurisdictions. Persons who are not resident in the United Kingdom or the United States should inform themselves about and observe any applicable requirements.

SCHLUMBERGER ANNOUNCES OFFER TO PURCHASE SEMA

NEW YORK, February 12, 2001--Schlumberger Limited (NYSE:SLB) announced today that it has reached agreement with the board of directors of Sema plc on the terms of a recommended offer (the "Offer") for the entire issued and to be issued share capital of Sema.

The Offer will be made on the basis of approximately \$8.09 (560 UK pence) in cash for each Sema share and approximately \$16.18 (1120 UK pence) in cash for each Sema ADS (each ADS represents 2 Sema shares).

The Offer values the transaction at approximately \$5.2 billion (approximately 3.6 billion UK pounds) fully diluted for the exercise of all outstanding options.

The Sema Board intends unanimously to recommend the Offer.

Euan Baird, Chairman and Chief Executive Officer of Schlumberger, explained the importance of this transaction to Schlumberger:

"The acquisition of Sema will enable us to accelerate significantly our existing information technology strategy. It will enhance our capabilities and critical mass in systems integration, widen our IT skills and create revenue synergies in many of our core competencies.

I am confident that the excellent personal relationships which we have developed with senior Sema management and strong cultural fit between our organizations will facilitate the integration and subsequent growth of Sema within the Schlumberger group.

We believe that Sema is the catalyst that will help us approach the five-year goals for growth and profitability that I set out two years ago."

Baird further stated:

"For several years, we have been actively exploiting IT to improve our internal business processes and efficiencies, to grow our existing businesses and to develop new IT-based revenue generation opportunities. This focus on leveraging IT has taken the form of extensions of existing Schlumberger business groups and also the creation of new businesses which leverage Schlumberger's long term expertise in network development and management, IP based applications, backed by a strong culture of global support.

Press Release (continued)

Such initiatives have been ongoing in all three of the Schlumberger core vertical markets: oilfield services, wireless telecom and utilities.

We believe that it has become increasingly clear that the winners in the Internet age will be companies with excellent products and market shares in specific verticals that are able to substantially enhance their business models with these new technologies.

Consequently, we have concluded that we need to continue to add strong IT technology, systems integration and consulting competencies on a global scale to both accelerate the growth in our core vertical markets and to establish ourselves as a leading information solutions provider in those core vertical markets. Sema provides those competencies to us."

Schlumberger expects to complete this transaction in the second quarter of 2001.

Recommended Cash Offer

by

Lehman Brothers

on behalf of

Schlumberger Investments

(a wholly owned subsidiary of Schlumberger NV)

for

Sema plc

During a public conference call hosted yesterday by Schlumberger in relation to the recommended cash offer for Sema, the following information was disclosed.

"The acquisition of Sema, a leading diversified IT and business services company, will accelerate the implementation of Schlumberger's strategy of providing end to end information solutions to customers in selected growth markets. Sema will enhance Schlumberger's capabilities and critical mass in systems integration and the range of IT skills which Schlumberger requires to serve its present and future customer base. It should also allow Schlumberger to realise revenue synergies as a result of cross selling its core competencies in network development and management, IP-based applications, data management, smart cards and security application products.

Assuming the transaction closes in April 2001, Schlumberger estimates that the acquisition will be dilutive to First Call consensus estimates for Schlumberger's 2001 earnings per share by approximately 8% before acquisition related costs and approximately 13% after acquisition related costs.

With regard to 2003, the acquisition is expected to be neutral to earnings per share before acquisition related costs and modestly dilutive after acquisition related costs.

Schlumberger believes that the causes of the recent profitability issues within Sema have been identified and that appropriate action is being taken to address those issues. Further, Schlumberger believes significant revenue synergies can be realised towards the latter part of the year 2002 in each of its core business verticals: Oilfield Services, Utilities and Wireless Telecommunications."
